

Wave Prowler

Fast Patrol Boat

Hull Form

The *Smit Owajjah II* is the first of the exciting new Wave Prowler class of boats to be delivered by Alnmaritec. This fast patrol boat is a low-profile, asymmetric planing catamaran design with an exceptional performance capable of over 42 knots. She is fitted with waterjets and integrated interceptors to give her ride control and she demonstrated excellent high-speed handling and sea-keeping characteristics on her trials. She carries a complement of two crew and six passengers in comfort on suspension seating inside her air-conditioned cabin which is also fitted with a WC compartment. She has a dive platform aft and a bimini cover provides shelter for operations on the aft deck.
